Kane County Taxpayers who are using a solar energy system installed on their property must use this form to request an alternate assessment for the property. To qualify, the solar energy system must conform to the standards established by the Illinois Department of Commerce and Economic Opportunity.

All applications must be accompanied by:

- A documented description of the system including installation date, system capacity, inverter size, and warranty.
- Copies of receipts for cost and installation of the system; and
- A copy of any power purchase agreement with a utility that references the system.

The application must be filed with the Kane County Assessment Office at the above address.

Once the application is approved, the alternate assessment will remain in place until the system is no longer in use. Taxpayers who discontinue the use of the solar energy system valued under this alternate assessment must notify the Kane County Assessment Office in writing, by certified mail, within 30 days.
